

**Product name : Magnetic 3-axis level LM4625 Stronghandtools**

## PERFORMANCE PARAMETERS

Length	152 [mm]
Width	45 [mm]
Height	56 [mm]

The magnetic spirit level contains 3 permanently built-in vials (vertically, horizontally and at an angle of 45 °) and one horizontal vial attached at an angle of 90 °. Additionally, the spirit level contains 11 built-in neodymium magnets that allow the spirit level to be held on steel elements.

## TECHNICAL DRAWING
