

**Product name : Stronghand Tools Grasshopper AGH130P for welding**

## PERFORMANCE PARAMETERS

|                                  |                 |
|----------------------------------|-----------------|
| Manufacturer                     | Stronghandtools |
| Length                           | 300 [mm]        |
| Width                            | 110 [mm]        |
| Height                           | 100 [mm]        |
| Magnet type                      | another         |
| fixing details angle - range     | od 0 do 45      |
| Maximum working temperature      | 250 °[C]        |
| handling mode                    | ręczny          |
| Number of axis to attach details | 2               |
| For grounding                    | yes             |
| Weight                           | 700 [g]         |

Steady small parts, such as: bolts, nuts, and thin plates for tack welding at odd angles with full welding clearance.

No other device can do what the Grasshopper does!

In set: Three brass contacts, copper ribbon and spring clip attachment
