

**Product name : Magnetic V-blocks V23 - the pair**

## PERFORMANCE PARAMETERS

|                                  |                                                   |
|----------------------------------|---------------------------------------------------|
| Length                           | 150 [mm]                                          |
| Width                            | 50 [mm]                                           |
| Height                           | 100 [mm]                                          |
| Magnet type                      | Neodymium                                         |
| Maximal hoisting capacity        | 23 [kg]                                           |
| Set                              | 2                                                 |
| Maximum working temperature      | ≤ 80 °[C]                                         |
| pole layout                      | poprzeczny do kierunku obróbki, 3 bieguny (N-S-N) |
| with separable magnetic field    | yes                                               |
| Magnetic field switcher          | yes, one for all planes                           |
| handling mode                    | ręczny                                            |
| for the small parts holding      | yes                                               |
| Number of axis to attach details | 1                                                 |
| Weight                           | 4.6 [kg]                                          |
